

members of the school, nor the illegal supply of these substances. We are committed to the principle of health and safety for all students and for the need to safeguard their well-being. The school has a responsibility as an educational establishment to promote healthy living and to put forward the dangers of smoking and alcohol abuse.

Woldingham makes stringent efforts to deter students from using alcohol and tobacco.

Issue Date	Dec 2023
Next Review Date	Sep 2025

Our medical staff play an active role in promoting greater awareness about the risks involved in using alcohol and tobacco.

## ALCOHOL AND TOBACCO/E-CIGARETTE POLICY

### Aims

- To educate pupils about the risks of alcohol and tobacco use.

In the following section we explain the school's policy on alcohol and tobacco use, and the consequences of a breach of the school's guidelines on alcohol and tobacco use.

### Alcohol abuse

The consumption or being in possession of alcohol (while in school premises while in school uniform) for girls and boys may consume alcohol under the following conditions:

- When express permission has been given by the member of staff in charge of an event and sanctioned by a member of SLT, Sixth Form are permitted to have
